Course Photographer
Press Credential Agreement

I am requesting a photographer's course vest that will allow me access to the infield at the 79th Running of the International Gold Cup on Saturday, October 22, 2016. I understand that I must surrender my driver's license to the Press Secretary to receive my vest and that my license will be returned to me when I return the vest to the Press Secretary.

I agree to abide by the International Gold Cup rules of press protocol and have completed and returned the Press Credentials Request Form. I understand that any abuse or hazard created by my presence at any time on race day will result in the denial of press credentials requested by me in the future. I also understand that vests are nontransferable and that unauthorized use could result in my International Gold Cup press credentials being suspended or permanently revoked.

In addition, **I agree to attend the mandatory press briefing at 11:30 a.m.** at the Steward's Stand on race day. I understand that priority will be given to photographers on assignment and that only one course pass will be allowed per media outlet.

I do hereby release the Virginia Gold Cup Association, Meadow Outdoors Foundation and landowners from any damage or injury sustained while on the property or race course.
